Dear Sir/Madam,

MEDICAL DEVELOPMENTS INTERNATIONAL APPOINTS MR JOHN SHARMAN AS CHIEF EXECUTIVE OFFICER

Medical Developments International Ltd (ASX: MVP) announced today the appointment of Mr John Sharman as Chief Executive Officer.

Mr. Sharman, has over 20 years' experience in CEO and Senior Executive roles in listed ASX medical device & pharmaceutical companies as well as within the financial services industry. He has extensive international business experience in Australia, the UK, Europe, Asia and the US, across a diverse range of industry sectors. John has extensive distribution networks within the medical equipment, pharmaceutical and financial industries globally, including developed and emerging markets.

John's leadership roles at Vita Life Sciences Ltd (2003 - 2006) and Cyclopharm Ltd (2003 - 2008) saw Vita Life Sciences re-establish itself as a profitable, growing and viable ASX listed company and Cyclopharm develop from a one-product business into a profitable listed global medical device and pharmaceutical company. John's most recent role was to rejoin the private equity firm, CVC Venture Managers as its CEO.

David Williams, Chairman, said, "Medical Developments is fortunate to have attracted a CEO of John's calibre to lead the business in the next phase of its growth, namely into new markets both domestically and abroad. The Company will benefit from John's extensive network and experience in growing multi-national businesses such as ours."
